

STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : Mr. Robert Wade, Defense Board Assistant
Colonel K. A. Danks, JCS Board Assistant

DATE: 10 September 1958

FROM : R. W. Komer, CIA

SUBJECT: Terms of Reference for SMIE on Threat to US Access to
Selected Overseas Base Areas

Attached are our proposed terms of reference for the SMIE requested by the PB on Tuesday, which we were going to check out with you. I think it fills the bill rather well, and in view of the short five week deadline we allowed ourselves I hope you won't lead on any additional material. Could you let me have your comments as soon as possible, by phone if feasible; on the other hand if we have to talk about these I'll be glad to send the drafter over.
